PRODUCT DEMONSTRATION CLASS

Domestic U.S. Dealer

The Product Demonstration Class is an important way to provide new Dealers with the technical aspects of PERMA`CRETE® as well as an initial hands-on introduction to the PERMA`CRETE® application process. The Class includes examples and demonstrations to aid the Dealer in learning the basic steps needed in the application of PERMA `CRETE® Products. The new Dealer can then continue to repeat basic and advanced steps at his local Dealership to gain proficiency and ease of application which is needed for the successful sale and installation of the products. QSI also encourages Dealers to periodically return to QSI for free re-orientation and advanced techniques Demonstration Classes.

A one-day Product Demonstration Class in Nashville is provided to the Dealer (Limit 2 Attendees) at no charge with the initial minimum purchase of the Dealer Start-up Order of product and/or equipment of \$6,000. Transportation, food and lodging costs for Attendees are the responsibility of the Dealer. Additional attendees are charged at \$300 each. NOTE: A guaranteed reservation deposit (non-refundable) in the amount of \$600 is required in advance to secure a firm Class date. This deposit, or a full Start-up prepay to qualify for the current month's Product Special, will be applied to the Dealer Start-up Order at the time of the Class.
